

Bestseller Express

Tired of the long waiting lists to get the latest bestseller? Pick up a Bestseller Express item for fast reading!

How it Works:

- Visit the Bestseller Express display in the Media area on the main floor of the library.
- Find the book you want to read (limited to two items at a time).
- Books are based on a first-come, first-served basis.
- Bestseller Express items are 7-day loans and cannot be renewed (\$1.00 per day if overdue).
- Bestseller Express items cannot be placed on hold (checking out a Bestseller Express item will not cancel your hold on the same title of the regular collection).
